

LONELY INFRASTRUCTURE

HOW PLAY CAN REBUILD THE SPACES BETWEEN US

This chair has never failed.
It has also never introduced two people.

01 / SEE IT

We built a world that moves people efficiently, but rarely toward one another.

02 / FEEL IT

Live experiments turn a room of strangers into participants.

03 / USE IT

Design the invitation, and connection has somewhere to begin.

ABOUT JEREMY

Jeremy Fojut is the founder of Fojut Ventures, an experience designer, venture builder, and community architect exploring how places, programs, and participatory experiences can make connection, curiosity, and play more likely.

BUILT AROUND YOUR EVENT

Each engagement is shaped around the audience, agenda, venue, and desired level of participation.

BRING JEREMY INTO THE ROOM

**A date, city, audience, and attendance
are enough to begin.**
